trends and regulations and
fostering mutual support and
professional development for
Social Workers in long term care.**

Program Overview

8:30a-9:00a

Registration &
Continental Breakfast

9-12:15

Ethical Considerations In Working with Care Givers of Competent Seniors

Adult children, grandchildren, friends and neighbors often attempt to take over their senior loved one's life before it is necessary. When an older adult has the ability to make his or her own decisions, it is important to respect those opinions. This seminar will focus on dealing with the challenge of diverse family viewpoints, mediation, and how to ultimately protect the interest of a decisional senior.

12:15-12:45

Lunch Provided

12:45-4

Sexual Behaviors and the Dementia Patient: Best Practices

Approaching and dealing with senior sexuality can be a challenge for many professionals, particularly when the senior is a dementia patient. Join us for this interactive program where the following topics will be covered: Inappropriate behaviors; Lack of inhibitions; Ability to give consent; Using redirection and validation ; Privacy issues; Family feelings about sexuality and dementia

Speaker

Jennifer Lubaczewski FitzPatrick, MSW has over 19 years' experience in healthcare and is the Founder of Jenerations Health Education, Inc. She is a frequent speaker at national and regional conferences, and senior living communities throughout the country. Jennifer also serves as an Education Consultant for Alzheimer's Association of Greater Maryland.

Jennifer currently teaches as an Adjunct Instructor at both Johns Hopkins University's Odyssey Gerontology Certificate Program and Howard Community College. She has also taught as an Adjunct Instructor in the undergraduate and graduate Gerontology program at Towson University. She has published research in The Journal of Multicultural Nursing and Health and is working on her first book about senior healthcare.

Jennifer's presentation style is dynamic, interactive and accessible. She loves adult education and is passionate about excellent healthcare, good customer service, older adults and their caregivers.
